

Happy New Year!

2021 was a rich and intense year for UWAVE with the development of other applications using UV LED lightings, the launch of our disinfection box **USTERI-BOX** and fluorescence detection kit **UFLUO-HAND**, lots of challenging UV curing custom projects and many more.

We look forward to continue serving you and wish you a wonderful and prosperous year!

Please stay tuned for next innovations and announcements in 2022.
